

Birds of Paradise Inn

602 South County Road 1150
Riviera, Texas 78379
361.297.5145

Pet Policy

Pre-approved pets may accompany registered Inn guest. All pets must be non-poisonous, socialized around children and other pets, and have current vaccinations.

We understand the trauma traveling sometimes has on pets, please note that no pets may be left in the house, suites, or be on the grounds unattended. If you leave them alone in the house or suites, it must only be for a very short period of time and they must stay in a protective crate or wire enclosure. Owner is responsible for the crate or wire enclosure.

Outside, all animals must be kept on a leash and you must pick up after your pet (please place bagged waste in an outside trash container).

Owner accepts any and all responsibilities associated with their pet, including responsibility for all claims, losses, costs, and expenses incurred to the Inn property, Inn employees and/or directly to Inn guests as the result of your pet's behavior.

I have read, understand and will comply with the above pet policy.
