Pet Policy

Pre-approved pets may accompany registered Inn guests. **Guests arriving with pets not pre-approved may be asked to leave without a refund of any amount paid.** All visiting pets must be over 1 year in age, healthy, non-poisonous, socialized around people, children and other pets, and have current vaccinations.

We understand the trauma traveling sometimes has on pets, please note that no pets may be left in the house, suites, or be on the grounds unattended. If you leave them alone in the house or suites, they must only be left for a very short period of time and they must stay in a protective crate or wire enclosure; guests are responsible for bringing a crate or wire enclosure. For pets found alone and not confined, you, your pet, and/or your party may be asked to leave without a refund.

Outside, all animals must be kept on a leash and you must pick up after your pet (please place bagged waste in an outside trash container). Please keep your pet away from other guests or animals at the Inn.

Please bring pet beds, blankets, towels and your pet's water and food bowls. Pets are not allowed on Inn furniture. The Inn's dishes and towels are for guest's use only; not for your pet. The towels you bring are for use to clean your pet's feet, etc. before they enter the house or suites.

Guest/Pet Owner accept any and all responsibilities associated with the pet(s), including responsibility for all claims, losses, costs, and/or expenses incurred to Inn property, by/to Inn owners/employees and/or by/to Inn guests/other pets/guest property as the result of the pet's behavior and/or actions. Please note the credit card on file may be charged for damages, etc. **Please check your homeowner's policy to verify coverage of your pet.**

I have read, understand and will comply with the above pet policy and all Inn policies verbal and/or written.
